About Me

I am a member of Umbrella Arts Collective and On Your Face Collective. I studied at the Bristol School of Animation. I have directed a short film called 'Cwch Deilen / Leaf Boat' which has been broadcast on BBC iplayer and Channel 4 and has been screened at many film festivals including Tribeca, NY. I like to work on a range of work including childrens television, illustration, music videos and documentaries. My work is usually focused on the themes of women, LGBTQ+ stories and nature.
